YEAR 11 RESULTS DAY - THURSDAY 23rd AUGUST 2018

The school has seemed empty since Year 11 departed and I've really missed them over the last few weeks. We are immensely proud of them and are looking forward to seeing them again in August to celebrate their results and help any that are concerned. We have gone through so much together over the last few years, and regardless of the results this year group has left a lasting impression on the school. They have developed into fantastic young adults that will go on to lead wholesome lives.

We will be making a full list of provisional results, including GCSEs, vocational awards and BTECs, available for collection in school on Thursday 23rd August. Candidates will be able to collect their results from 10.00am in the main school hall.

If any candidates are unable to collect their results in person they can either;

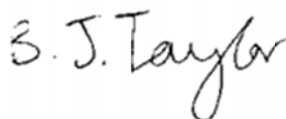

- nominate someone else to collect them by writing a letter to me at school informing me of who that person will be.
- request that results be posted home: in order for us to do this we will require you to supply us with a stamped addressed envelope

If you have any queries about the arrangements we have made for this year, please contact Chris Taylor (Examinations Officer) at school.

All Year 11's that attended Prom will receive a free CD of the pictures from the night and collect that on Results Day.

Finally, thank you as parents for all the support you've given the school and your youngster.

Kind regards

Ben Taylor
Head of Year 11
