

Dear Parent

12 April 2019

Year 10 GCSE Revision Evening

I am writing to invite you to an essential evening coming up for Year 10 students and their parents on Thursday 23 May. The evening will be separated into sections: a chance to talk to a range of post 16 providers, a presentation about how to support your youngster doing revision at home and three practical workshops (English, Maths and Science based) which will demonstrate some practical revision strategies.

The evening will run as follows:

- 4.30 - 5.30pm Opportunity to look at post 16 provider stalls
- 5.30 - 6.00pm Presentation in the main hall by Mrs House
- 6.00 - 6.30pm Workshop 1
- 6.40 - 7.10pm Workshop 2
- 7.20 - 7.50pm Workshop 3

You will be able to order exam revision guides for your youngster if you do not have them already and we will be selling ready-made packs of revision stationery for £1.

This evening is purposely timed to give yourselves and your youngsters the information and guidance they need in order to prepare for both their Year 10 GCSE trial examinations this summer and for their final examinations in Year 11. The Year 10 GCSE trial examinations begin on Monday 17th June, a copy of the timetable is attached to this letter. There are also some actual GCSE examinations for some Year 10 students after Easter – the students will be aware if they are involved in these.

If you would like to attend the Year 10 Revision evening on Thursday 23 May, please complete the reply slip below and return it to student services by Friday 3 May. Everyone will be allocated to workshops for the evening, you will not be able to attend unless a reply slip has been received by the deadline. Due to potential numbers of people attending the event, each youngster will only be able to bring one adult to accompany them. This event will be an exciting and informative evening and we look forward to seeing you there.

Yours faithfully

Zoe House
Headteacher

Please return to Student Services by Friday 3 May

Year 10 GCSE Revision Evening - Thursday 23 May 2019
