

ATTITUDE TO LEARNING

At regular intervals throughout the year, teachers review the Attitude to Learning of students to consider how best to support them moving forwards. This information is updated and accessible on Go4Schools. The information below highlights some of the characteristics which may have been observed in each student to determine their ATL grade. We aspire for all at Lees Brook to be at least Good Learners in all subjects.

Grade	What does it mean?
Outstanding	<ul style="list-style-type: none"> • You are always ready to learn and organised, e.g. you have your equipment, you are punctual • You always listen carefully to teachers and other students so that you can learn from them and build upon their ideas • You make excellent and regular contributions to group work and class discussions • You develop what you have learnt in lessons in your own time, e.g. doing wider reading, completing extension tasks • You always hand in your homework on time and show you have worked hard on it • You are determined to succeed and never give up – even when it is hard (resilience) • You follow feedback and act on the advice to help you improve your mark next time and make progress
