

11 February 2022

Dear Parent

**Year 11, February Half-Term Revision Sessions**

In order to support all students to achieve their maximum potential in their upcoming mock exams in March, we are keen to support students with their revision. As such, we intend to offer a number of additional sessions over the February half-term break to ensure students have access to specialist support, revision and to help in their completion of NEA (coursework).

These sessions are open to all, although students do need to sign up for these in order to express an interest in attending. We will do everything we can to accommodate all student requests, however, it may be that not all students will be able to attend depending on session availability. Additional sessions will be available in the Easter half term.

Access to the school site on these days will only be for those students who have been allocated a place, and will be through the main reception entrance. Students are not expected to attend in uniform, but are expected to be punctual. Students may wish to bring a packed lunch on any day that they are attending both morning and afternoon sessions as the dining hall will not be open.

**Students should register their interest in attending sessions on the Year 11 Subject/Revision evening on Tuesday 15<sup>th</sup> February.**

Please note that sessions are subject to change, in line with demand and availability. In the event that a session cannot take place, contact will be made with those who have signed up.

Thank you for your ongoing support.

Yours faithfully

Steve Geary  
Assistant Principal for Achievement and Progress
