

Tuesday 24<sup>th</sup> May 2022

Dear parents/carer(s),

### Years 9 and 10 | Summer Assessment Schedule

Year 9 and 10 students have upcoming assessments due to take place during the summer term. We have put together the schedule below so that you are aware of when these are taking place, and can support your child accordingly.

| Summer term |  |
|-------------|--|
| Year 9      | <i>Key Assessments for all subjects take place during<br/>6<sup>th</sup> – 10<sup>th</sup> June</i>                        |
|             | <i>Progress tests in English, Maths and Science will take place during<br/>20<sup>th</sup> June – 15<sup>th</sup> July</i> |
| Year 10     | <i>GCSE Mock Exams will take place week beginning<br/>20<sup>th</sup> June</i>   |

These assessments will be for the whole year group, and will be used to monitor your child's progress and any need for additional support. These will be supplemented by additional informal assessment within lessons.

- ***The Year 9 Progress Tests in English, Maths and Science*** are online assessments which evaluate student knowledge of the Key Stage 3 curriculum. These are nationally standardised, allowing us to see how students at Lees Brook compare with other students across the country. Each of these lasts around an hour.
- ***The Year 10 GCSE mock exams*** will enable staff to measure the progress made in each subject towards students' individual target grades. These exams are taken under exam conditions within the school hall, replicating the summer exam series that students will complete at the end of Year 11.

Students are encouraged to utilise the variety of resources that they have been provided with, such as their Knowledge Organisers, as well as subject-specific online resources such as Hegarty Maths and Century Tech.

Yours faithfully

Assistant Principal  
Achievement and Progress.
