

Year 9 end points:

Students will:

- Develop own practice through regular performance and technique classes
- Apply knowledge of more advanced skills involved in choreography and performance inspiring others
- Lead fun warm ups and cool downs. Plan sessions to lead a group of young people
- Reflect on own practice with strength and targets to bring about improvements
- Set and accomplish your own Arts challenge
- Organise and lead and events which develop the school and wider community
- Research different arts and pathways in Education
- Collaborate with others on the course
- Explore the Arts as an audience member with a deepened knowledge of appreciation
- Engage enthusiastically in the Arts Award 'Silver' programme of study
