Tuesday 1 November 2022

Dear parents & carers,

Year 11 | Mock Examinations

As in previous years, we will be examining all Year 11 students in a wide selection of their subjects during a formal examination period. Examinations will start on Monday 14th November 2022 and last for two weeks. The examination timetable is on the school website and I have also included a copy on page two of this letter.

Most examinations will be held in the Sports Hall, although some examinations will take place in specialist classrooms. Please note that formal examination conditions will be observed and all students are expected to adhere to these regulations. Pencil cases should be transparent and water bottles are only permitted with the labels removed. Smartphones and watches must be turned off and placed into their bag – failure to do this in a GCSE examination will lead to the entire paper being disqualified. In addition, all students will need black pens, pencils, rulers and a scientific calculator.

Subject teachers will be preparing students in Year 11 with 'walking talking mocks' which will start this week in English, Maths and Science.

Students should spend time over the next few weeks revising and preparing for these very important examinations. These will be an excellent indicator of the progress they have made during Year 10 and 11.

Finally, for those thinking about booking a holiday, the final exam date in the summer is Wednesday 28th June 2023.

We look forward to seeing you all on Wednesday 2nd November at 3:30pm for the GCSE Information Evening.

Yours sincerely,

Mr S Geary
Assistant Principal
