

AAB/cw – March 2023

Dear Parent/Carer

Archway Learning Trust is a growing Multi Academy Trust with academies across Nottingham, Derby and Derbyshire. We are a fully inclusive family of learners, providing nurture and an outstanding educational experience for all to grow and flourish.

In order to support the work of our academies, each Academy has an Academy Advisory Board (AAB) who provide both challenge and support to the Principal and Senior Leadership Team. AABs are made up of volunteers and each of them provide a unique opportunity to have a positive impact on the lives of our children.

We are currently seeking to strengthen our existing AABs and would welcome interest from those with an enthusiasm for education to join us. Experience within the education sector is not essential as we welcome members with a mix of backgrounds, skills and experiences.

Being an AAB member is an exciting opportunity to give back to the community whilst also developing your professional skills.
