Year 10 | GCSE Examinations

Dear parents & carers,

As in previous years, we will be examining all Year 10 students in a wide selection of their subjects during a formal examination period W/C 12th June for 2 weeks. This will provide students with an opportunity to practice examination conditions as well as assess their progress after their first year of Key Stage 4 courses at Lees Brook Academy. The examination timetable is on the school website and I have also included a copy on the next page of this letter.

Most examinations will be held in the Sports Hall or Main Hall, although some examinations will take place in classrooms. Please note that formal examination conditions will be observed and all students are expected to adhere to these regulations. Pencil cases should be transparent and water bottles are only permitted with the labels removed. **Smartphones and smart watches must be turned off and placed into their bag** – failure to do this in a GCSE examination will lead to the entire paper being disqualified. In addition, all students will need: black pen, pencil, ruler and scientific calculator.

These examinations will be an excellent indicator of the progress they have made during Year 10 and prepare them for the rigour of Year 11. Please check that your child manages their independent study and revision time effectively.

Should you wish to speak to me about any aspect of Year 10 examinations please do not hesitate to contact the school.

Yours sincerely,

Mr S Geary
Assistant Principal

Year 10 | Exam Timetable

	Lesson 1 and 2		Lesson 3 and 4	
Week 1	Subject	Time	Subject	Time
Tuesday 13 th June			HISTORY	2hr
Wednesday 14 th June			FOOD PREP & NUTRITION COMPUTER SCIENCE	1hr45
