Coming Soon!

Get ready to download the new Reach More Parents App!

Dear Parent/Carer,

Here at Lees Brook Academy, we are always looking for new ways to improve communications with our parents and carers. In the next few weeks, we are delighted to be launching Reach More Parents - a new digital communications tool specifically designed for parent and Academy staff communications. This will be replacing ParentMail as our primary means of communication. Reach More Parents allows you to see live updates about your child's education, meaning you will never miss a moment of your child's learning Journey.

Receive alerts and keep updated with School News, Trips, Learning Activities, Important Announcements, Key Dates and Events, Attendance Information and much more!

How to **log in** to **Reach More Parents**:

- By **downloading the app** onto your smart phone or tablet. You can download Reach More Parents from the App Store or Google Play.
- By **logging in** via the **Reach More Parents** website/portal at: <https://app.Weduc.co.uk/>

You will be receiving an enrolment message, and both priority one and two contacts with parental responsibility will be provided with an enrolment code, plus instructions on how to download the app.

Look out for your Enrolment message and instructions coming soon!

If you currently use ParentMail and still have money on your account, please be assured that this will transfer over to your 'Reach More' account and so your child will be able to purchase lunch/snacks at the start of term.

If you are needing to top up your account we will be sending out further correspondence in due course to confirm when you can access the 'Squid' top up system.

Kind Regards,
Lees Brook Academy
